

Joint Congress **PASCAR – Sudan Heart Society - PAFCIC**

October 7 – 11, 2017
Khartoum - Sudan

Programme:

- Interactive sessions
- Practical workshops
- Key note lectures
- Live transmissions
- Poster and oral presentations sessions
- Satellite symposia
- Sessions for Cath Lab technicians and nurses
- Live in a box sessions
- 3rd Africa Fellows Summit

Live Transmission Sites:

- Khartoum – Sudan
- Washington Hospital Center - USA
- Cedars Sinai Medical Center – Los Angeles, USA
- Fattouma Bourguiba University Hospital, Monastir, Tunisia

Main Topics:

- Percutaneous mitral valve replacement: Still a dream?
- Management of aortic stenosis in Africa: TAVI, balloon valvuloplasty or surgery?
- Acute stroke management is changing. How about in Africa?
- Imaging or functional assessment for coronary lesions: FFR – OCT - IVUS necessary in the cath lab?
- Management of high burden thrombus containing lesions
- PCI of long calcified lesions
- Tips and tricks for left main stenting
- How to set a primary PCI program for STEMI in Africa?
- Recanalisation of chronic total occlusion: When retrograde approach is necessary?
- Cardiac surgery in Africa: What is the current picture?
- Bioresorbable scaffolds: current status,
- LAA closure, NOAC or just Vit K antagonists in Africa?
- New interventional technologies for heart failure management
- Interventional repair of congenital heart disease

Sunday October 8th, 2017

11:00 – 12:30

PASCAR- ICTF Session

Room Plenary

Moderators: Jean Fajadet - Alsadig Askar – Harun Otieno – Mpiko Ntsekhe

- Sudan STEMI

Awad Abdallah

- Map of cath labs in Africa

Habib Gamra

- Stent Save a Life in Africa: How to make it a success?

Harun Otieno

13:30 – 14:30

Lunch

14:30 – 16:00

Africa Fellows Summit - Session 1

Room Parallel

Chairs: Mohamed Ben Farhat – Kamal El Tayeb – Jean Fajadet – Faiez Zannad – Abdallah Mahdhaoui - Salah Mohamed

Keynote Lecture

Training of interventional cardiology in Africa: Challenges and potential solutions

Mohamed Sobhy (Alexandria Egypt)

Challenging Clinical Cases Presentations (5 min for each presentation)

- Case From Sudan

Nafissa ElSammani

- Case from Kenya

Mohamed Hasham Varwani

- Case from Cote d'Ivoire

Didier Yao Coffy-Akpolet Hermann

- | | |
|----------------------|-----------------------|
| - Case from Cameroun | <i>Peter Ebassone</i> |
| - Case from Algeria | Saber Seddiki |
| - Case from Tunisia | Ayman Najjar |
| - Case from Uganda | Dr Ssanbulya |

16:00 – 17:30

Session for Cath Lab technicians and CCU nurses

Room Plenary

Moderators: Fethi Betbout - Samawal Abdelaziz – Mohamed Jeilan – Mourad Jarrar

What you should know about:

- | | |
|--|------------------------|
| - Vascular access management | <i>Ghandi Mubarak</i> |
| -Managing PTMC complications | <i>Rachid Hamdene</i> |
| - Thrombus aspiration during primary PCI | <i>Oussama Ibrahim</i> |
| - Case presentation 1 | <i>Mohamed Taha</i> |
| - Case presentation2 | <i>Idriss Aldouma</i> |

Monday October 9th, 2017

08:30 – 10:00

Tools and Techniques for the management of calcified lesions

Room Parallel

Moderators: Jean Fajadet, Stephen Lee, Awad Mohamed, Rachid Boujenah, Faouzi Drissi, Salim Ben Khedda

- Debate: Is Rotablator necessary in the Cath Lab?

- Yes, Absolutely *Jean Fajadet (Toulouse, France)*
- No, Not necessarily *Mohamed Sobhy (Alexandria, Egypt)*

- Presentation of challenging PCI of calcified lesions

- Clinical Case from Tunisia *Dhaker Lahidheb*
- Clinical Case from Algeria *Saber Seddiki*
- Clinical case from Sudan *Yagoub Musa*

08:30 – 10:00

CSI Africa @ PAFCIC session

Room Parallel

Moderators: Horst Sievert, Sulafa Ali, Fekria Abid; Ilyes Neffati, Habiba Drissa, Soraya Ben Youssef, Semia Hajri Ernez

Interventional catheterization for congenital heart disease: How can we bridge the gap in Africa?

Sulafa Ali (Khartoum, Sudan)

Current status of cardiac surgery for congenital heart disease in Africa:

Abdelfattah Abid (Tunis, Tunisia)

Recorded cases of structural and valvular interventions from CSI

Horst Sievert (Frankfurt, Germany)

Challenging cases of congenital, structural and valvular heart disease percutaneous repair:

- Case 1

Emmy Okello (Kampala, Uganda)

- Case 2

Ilyes Neffati (Sousse, Tunisia)

10:00 – 10:30

Terumo Symposium

Room Plenary

Moderators: Abdessattar Ben Hamida, Riadh Kasri, Abdelbaki SidAhmed, Helmi Kammoun

Speaker: *Jean Fajadet*

Use of bioresorbable polymer stent technolog: What impact in clinical practice?

10:30 – 11:00

Coffe Break - Posters Sessions 1& 2 and Visit of Exhibitions

Moderators: Semi Milouchi, Hichem Denguir

11:00 – 12:00

Live transmission from Khartoum
Transseptal and Balloon mitral valvuloplasty: Step by step

Room Plenary

Moderators: Naima El Haitem, Rachid Mechmeche, Mohamed Ben Farhat, Fethi Betbout, Ibrahim Ali Toure, Yassine Abdoulhai

Keynote Lecture : Balloon Mitral Valvuloplasty: A validated therapy

Ahmed Suliman (Khartoum, Sudan)

12:00 – 13:30

**Africa PCR Session
Management of Aortic stenosis in 2017**

Room Plenary

Moderators: Jean Fajadet, Horst Sievert, Mpiko Ntsekhe, Anas Babiker, Hedi Baccar, Morshed Marouane, Dhaker Lahidheb

LIAB of Balloon Aortic Valvuloplasty *Ahmed Suliman/ Habib Gamra*

Keynote Lecture : Management of Aortic stenosis in 2017: State of the Art

Azeem Latib (Milan, Italy)

13:30 – 14:30

Lunch

**Africa Fellows Summit - Session 2
Vascular Access: From A to Z**

Room Parallel

Moderators: Salim Ben Khedda, Leila Hached, Kais Battikh, Ali Ben Khalfallah, Mohamed Abdelmalek

- Radial approach: Technique, tips and tricks, pitfalls
Hichem Denguir (Gabes, Tunisia)
- Femoral approach: Technique, tips and tricks, complications
Harun Otieno (Nairobi, Kenya)
- Challenging cases of vascular access

Case 1 *Mohamed Jeilan (Nairobi, Kenya)*

Case 2 *ElTayeb Mohamed Ahmed (Khartoum, Sudan)*

14:30 – 15 :30

**Recent Advances in Interventional Cardiology
*that have changed our practice and our patients life***

Room Plenary

Moderators: AlSadig Askar, Fehmi Remadi, Stephen Lee, Mohamed Sobhy, Jean Fajadet, Horst sievert

- Stroke Intervention *Horst Sievert (Frankfurt, Germany)*
- Complex PCI *Jean Fajadet (Toulouse, France)*
- Percutaneous valve repair *Azeem Latib (Milan, Italy)*
- Cardio vascular imaging *Stephen Lee (Hong Kong)*

15:30 – 16 :00

Coffee Break – Posters Sessions 4& 5 and Visit of Exhibitions

Moderators: Yousra Messaoudi, Mehdi Ghommidh

16:00 – 16 :30

Recent innovations in percutaneous intervention for heart failure and arrhythmia management

Room Plenary

Moderators: Faiez Zannad, Karen Sliwa, Sonia Chabrak, Mourad Hentati, Zahreddine SMIRI, abdeddayem Haggui, Mohamed Badri

Heart failure management: Therapies overview, current guidelines and future directions
Faiez Zannad (Nancy, France)

Challenges of heart failure in Africa *Karen Sliwa (Cape Town, South Africa)*

Recent innovations in devices for heart failure management
Horst Sievert (Frankfurt, Germany)

Recent innovations in percutaneous intervention for arrhythmia management
Sana Ouali (Tunis, Tunisia)

17:30

Adjourn

Tuesday October 10th, 2017

08:30 – 09:30

**Learning The Technique
from African cases**

Room Plenary

Moderators: Nadia Baraket, Harun Otieno, Mpiko Ntesekhe, Awad Mohamed, Hedi Baccar

- Left main PCI Mpiko Ntsekhe - South Africa
- Bifurcation PCI Sudan
- Primary PCI Dr Kanyeki – Moraa Gachembwa

09:30 – 10 :30

Learning OCT for daily practice

Room Plenary

Moderators: Rachid Boujenah, Sameh Shaheen, Ahmed Khachaba, Faouzi Drissi, Dhaker Lahidheb, Anas Babiker,

Understanding OCT and Its Uses. Why It Is Important in Clinical Practice ?
Stephen Lee (Hong Kong)

Surprising findings with OCT : case examples

- Clinical case of OCT from Tunisia *Kais Battikh – Riadh Rihani*
- Clinical case of OCT from Egypt *Ahmed Khachaba*

10:30 – 11 :00

Coffee Break – Posters Sessions 5 & 6 and Visit of Exhibitions

Moderators: Saber Seddiki, Ahmed Khachaba

11:00 – 11:45

Live from Khartoum

Complex PCI – ACS case

Room Plenary

Moderators: Mohamed Sobhy, Stephen Lee, Ibrahim Ali Toure, Leila Hached, Fehmi Remadi, Alsadig Askar

Lecture - How to improve ACS management in Africa?

(Khartoum, Sudan) Alsadig Askar

11:45 – 12 :30

**Live from Fattouma Bourguiba University
Hospital, Monastir - Tunisia**

Complex PCI – ACS case

Room Plenary

Moderators: Salim Ben Khedda, Rachid Mechmeche, Mpiko Ntsekhe, Fethi Betbout, Habib Gamra, Elbager Elbashir

12:30 – 13 :30

Africa STEMI Session

Challenging cases on STEMI management

Room Plenary

Moderators: Mohamed Jeilan, Harun Otieno, Ahmed Suliman,

- LIAB Case from Kenya

Mohamed Jeilan

- Case from Algeria

Oussama Bouchicha

- Case from Tunisia

Mejdi Ben Messaoud

- Case from Sudan

Nashwa Abderrahim

13:30 – 14 :30

Lunch

Africa Fellows Summit – Session 3
How to manage PCI complications
Perforation – Tamponade – No reflow

Room Parallel

Moderators: *Sondos Kraiem, Salim Ben Khedda, Abdeddayem Haggui, Mehdi Ghommidh*

Coronary Perforation

Murtada Ali (Khartoum, Sudan)

Tamponade

Abdeljeli Farhati (Tunis, Tunisia)

No reflow

Khaled Ibnouf (Khartoum, Sudan)

14:30 – 16 :00

Complication Cases from Africa

Room Plenary

Moderators: *Mpiko Ntsekhe, Harun Otieno, Rachid Boujenah, Habib Gamra, Fehmi Remadi, Elbager Elbashir*

- *Case from Sudan*

- *Case from Egypt*

- *Case from Kenya*

- *Case from South Africa*

- *Case from Cote d'Ivoire*

Ahmed Khachaba

Harun Otieno

Mpiko Ntsekhe

Didier Yao Coffy-Akpolet Hermann

- Case from Tunisia

Hadhem Hajlaoui

- Case from Algeria

Saber Seddiki

16:00 – 16 :30

Coffee Break – Posters Sessions 7 & 8 and Visit of Exhibitions

Moderators: Semia Ernez Hajri, Sudan

16:30 – 17:15

Live From Washington DC, USA

Learn with Augusto Pichard

Room Plenary

Moderators: Mohamed Sobhy, Rachid Boujenah, Nadhém Hajlaoui, Ahmed Suliman, Harun Otieno, Mpiko Ntsekhe, Habib Gamra,

17:15 – 18:00

**Live From Cedars Sinai Medical Center,
Los Angeles, USA**

Learn with Raj MAKKAR

Moderators: Mohamed Ben Farhat, Riadh Kasri, Mohamed Aloulou, Harun Otieno, Abdelbagi SidAhmed, Mohamed Abdelmalek

18:00 – 18:30

Keynote Closing lecture: Forty years of angioplasty - What lessons? What is left for the future? All the questions you have never dared to ask.

Patrick Serruys (Rotterdam The Netherlands)

Closing Remarks and Farewell

PAFCIC Chairman: Habib Gamra

PASCAR Interventional Cardiology Task Force Chair: Harun Otieno
